

Recharge all your devices easily and safely with a range of powerful, compact accessories.

WALL CHARGER - 25W FOR SMARTPHONE - TABLET

Ref. 001380

- + 1 USB-C port: 25W Max
- + Power Delivery compatibility
- + Compact and lightweight
- + Compatible with all European mains sockets (type C/E/F)

Power Delivery / PPS (Programmable Power Supply) technology: For USB-C charging ports.

These technologies accelerate and optimise charging while adjusting the power delivered according to the device it is charging. The mains adapter will not deliver the same power to charge a smartphone as it will to charge a tablet. This makes charging **faster** and **more efficient**, while preserving and **extending the life** of the batteries.
