

Delock Edge Protection self-adhesive 40 x 40 x 13 mm transparent

Description

This transparent edge protection by Delock can be used for sharp corners and edges to prevent impact injuries.

Simple application

To place the edge protection, the protective film of the adhesive strip must be removed and stuck to the desired corner. The edge protection should always be attached to a smooth and clean surface to ensure an optimal hold.

Multifunctional application

The edge protection can be used e.g., for 90° table corners, shelves, chests of drawers, etc.
