

# Delock Cable ties reusable heat-resistant L 200 x W 7.5 mm 100 pieces black

## Description

These cable ties by Delock can be used for a space-saving bundling of single cables, wires and tubes.

### Reusable

The cable ties can be easily opened and reused with the help of the opening loop. This means that the cable ties can be used sustainably and are suitable for both permanent installation and temporary projects.

### Excellent weather resistance against heat

The cable ties offer excellent resistance to high temperatures and are ideal for fixing cables e.g. in the vicinity of heating appliances, without tearing or breaking.

**100 x**
