

Delock Keystone Holder 12 port tiltable for 10" and 19" rack and wall mounting

Description

This Keystone holder by Delock can be mounted into a 10" or 19" rack to the side. With its standardized dimensions, it is suitable for easy snap-in mounting of 12 Keystone modules.

With tiltable Keystone ports

The tiltable Keystone ports allow for an angled and space saving installation of cables.

With ground connection

The holder has a grounding connection to allow electrical currents to be discharged easily.

Note

Due to the design only keystone modules up to max. 17.5 mm width can be used. Keystone modules are not included in the package content.

Technical details

- For vertical mounting in 10" or 19" rack
- 12 Keystone ports 19.2 x 14.9 mm
- Tiltable bearing 30° of the Keystone modules
- Wall mounting
