

MRCS256

MediaRange HDMI™ Premium High Speed Ethernet Extension Cable, 18 Gbps, Ver. 2.0, 4k@60Hz, HDR, 3D, ARC, 2.0m, Black

Seamless Connectivity for Every Setup

MediaRange offers a comprehensive selection of high-quality cables and converters, designed to meet the needs of both professional and everyday users. Whether you're looking for a reliable adapter, a converter or durable connectivity accessories, our products ensure seamless integration and performance.

From office workstations to home entertainment systems, our cables and converters provide clear, stable signal conversion, support resolutions up to 3.840 x 2.160 @ 60 Hz, and they are ready for immediate use thanks to Plug & Play. Experience smooth video and Audio output and dependable performance for all your display needs.

Reliable HDMI Extension for High-Speed 4K Transmission

Our HDMI™ Premium High Speed Ethernet Extension Cable (Ver. 2.0) provides seamless signal extension for your HDMI devices while maintaining excellent quality and bandwidth.

The HDMI plug-to-socket configuration makes it easy to extend existing cables or reposition devices without loss of signal quality. With data transfer rates up to 18 GB/s, it supports cutting-edge features such as HDR, ARC, and full 3D playback—ideal for 4K @ 60Hz displays.

Whether you're connecting displays in an office, extending home entertainment connections, or working with demanding AV environments, this cable is built for high performance and durability.

Key Features:

- **4K UHD Support:** Supports resolutions up to 3840 x 2160 @ 60Hz with HDR and 3D playback.
- **High Bandwidth:** Transfer speeds up to 18 Gbps ensure smooth audio/video transmission.
- **Plug & Play:** No drivers required; fully compatible with Windows, macOS, and Linux.
- **Gold-Plated Contacts:** For optimal signal transmission and corrosion resistance.
- **Sturdy Design:** 2m black cable with 32 AWG core ensures both flexibility and durability.

FEATURES

Technical Specifications:

- **Cable Type:** HDMI™ Premium High Speed Ethernet Extension Cable (Ver. 2.0)
- **Connection:** HDMI plug to HDMI socket
- **Max Resolution:** 3840 x 2160 @ 60Hz (4K UHD), HDR, 3D, ARC
- **Data Transfer Rate:** Up to 18 GB/s
- **Compatibility:** Windows / macOS / Linux (Plug & Play)
- **Contact Plating:** Gold-plated
- **AWG:** 32 (0.202mm diameter)
- **Cable Length:** 2m
- **Color:** Black
- **Shape:** Round

APPLICATIONS

Common Use Cases

- **Office & Business:** Ideal for meeting rooms, displays, and AV setups needing HDMI extension.
- **Home:** Perfect for gaming, streaming, and extending 4K video playback setups.
- **Professional AV & Studios:** Reliable connectivity for high-definition and HDR content.
