

Specification

Meat mincer # 5 with a shredder
Capacity: 1.0 kg / min.
Stainless steel housing
Grinding unit No. 5
3 stainless steel sieves:
3 mm sieve - fine mesh for grinding to a fairly compact, uniform consistency. Perfect for stuffing and pâté.
5 mm sieve - medium mesh for grinding meat for minced cutlets, burgers, meatballs and fillings for dumplings, pancakes and tortillas. Using this strainer you can also grind vegetables, hard cheese and even nuts.
7 mm sieve - thick mesh for meat mincing with a distinct structure. The strainer is intended for the production of sausages and giblets.
Sausage attachment
Kebbe attachment
