

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2023/1669 with regard to the energy labelling of smartphones and slate tablets

| 1. Trademark                                                                                                                   |                                 | 2. Model identifier |
|--------------------------------------------------------------------------------------------------------------------------------|---------------------------------|---------------------|
| AGM                                                                                                                            |                                 | AGM_G3              |
| 3. General product parameters:                                                                                                 |                                 |                     |
| Parameter                                                                                                                      |                                 | Value               |
| 4. Device type                                                                                                                 |                                 | Smartphone          |
| 5. Operating system                                                                                                            |                                 | Android             |
| 6. Energy efficiency class                                                                                                     |                                 | A                   |
| 7. Battery user-replaceable                                                                                                    |                                 | No                  |
| 8. Battery endurance per cycle ( $END_{device}[h]$ )                                                                           |                                 | 113                 |
| 9. Battery endurance in cycles - default settings [cycles]                                                                     |                                 | 800                 |
| 10. Rated battery capacity ( $C_{rated}[mAh]$ )                                                                                |                                 | 10 000              |
| 11. Shipped with protective cover                                                                                              |                                 | No                  |
| 12. Repeated free fall reliability test - falls without defect [n]                                                             |                                 | 281                 |
| 13. Repeated free fall reliability test - falls without defect, tested in fully extended state [n]                             |                                 | n.a.                |
| 14. Repeated free fall reliability class                                                                                       |                                 | A                   |
| 15. Ingress protection rating                                                                                                  |                                 | IP68                |
| 16. Specified immersion depth in water, in case of IPx8 [m]                                                                    |                                 | 1,50                |
| 17. Screen scratch resistance on Mohs hardness scale                                                                           |                                 | 7                   |
| 18. Charger                                                                                                                    | Required output power [W]       | 33                  |
|                                                                                                                                | Receptacle type (at device end) | USB-C               |
| Repairability information:                                                                                                     |                                 |                     |
| 19. Minimum guaranteed availability of operating system security updates, corrective updates and functionality updates (years) |                                 | 5                   |
| 20. Repairability Class (based on the index below)                                                                             |                                 | B                   |
| 21. Repairability Index                                                                                                        |                                 | 3,39                |
| 21a. Disassembly Depth ( $S_{DD}$ ) score                                                                                      |                                 | 4,75                |
| 21b. Fasteners (type) score ( $S_F$ )                                                                                          |                                 | 4,20                |
| 21c. Tools (type) score ( $S_T$ )                                                                                              |                                 | 4,50                |
| 21d. Spare Part score ( $S_{SP}$ )                                                                                             |                                 | 4                   |
| 21e. Software Updates (duration) score ( $S_{SU}$ )                                                                            |                                 | 1                   |
| 21f. Repair Information score ( $S_{RI}$ )                                                                                     |                                 | 1                   |
| 22. Weblink to information on spare parts availability for professional repairers and end users                                |                                 | /                   |

|                                                                        |    |
|------------------------------------------------------------------------|----|
| 23. Weblink to repair instructions for end-users                       | /  |
| 24. Weblink to indicative pre-tax prices                               | /  |
| <b>Additional information:</b>                                         | /  |
| 25. Minimum duration of the guarantee offered by the supplier [months] | 12 |

Model placed on the Union market from 10/09/2025

**EPREL registration number:** 2467169
