

Vertical Stacking Dual Monitor Arm

Part Number: K53802WW | UPC Code: 0 85896 53802 8

Mount your monitors vertically.

Whether you're trying to maximize your desk space, a security professional, gamer or simply want to expand top-to-bottom web browsing, the Vertical Stacking Dual Monitor Arm offers stable and secure vertical positioning of two monitors, each up to 32" (19.8lbs/9kg). Easy to install and adjust, the full-motion design offers monitor positioning in any direction, while the integrated cable management reduces clutter.

Features include:

- Dual vertical mounting holds two screens, each up to 32" (19.8lbs/9kg) in landscape orientation, 29" in portrait orientation
- Stacked monitors maximize desk space
- Quick-release handle for smooth and effortless monitor height adjustment
- Full-motion design
- Detachable $\pm 180^\circ$ rotatable VESA® 75/100 plates
- Pre-installed C-clamp (optional grommet mount included)
- Integrated cable management

Vertical Stacking Dual Monitor Arm

Part Number: K53802WW | UPC Code: 0 85896 53802 8

Dual Vertical Mounting

Ideal for top-to-bottom web browsing, control rooms, gaming, or anywhere desk space is limited.

Maximizes Desk Space

Stacked monitor arrangement allows two monitors in a single footprint.

Quick-Release Height Adjustment Handle

Offers smooth and effortless monitor height adjustment.

Full-Motion Design

Allows flexible monitor positioning.

Detachable VESA® 75/100 Plates

Rotate $\pm 180^\circ$ for landscape or portrait orientation of each monitor. Holds two screens, each up to 32" (19.8lbs/9kg) in landscape orientation, 29" in portrait orientation.

Pre-Installed C-Clamp

Makes installation easy and provides a stable and secure base (optional grommet mount included).

Integrated Cable Management

Reduces clutter and keeps workspace tidy.

Warranty and Support

Backed by a two-year warranty and outstanding customer support, you can rest assured Kensington has you covered.
