Close your eyes and think of BBQ season. With this Hisense American fridge freezer, you'll have loads of space for 19 shopping bags in the fridge and 11 in the freezer, so stock up on all the juicy burgers, chicken kebabs, sausages and beers. There'll be no scraping away frost either, since it comes with some great tech that stops it building up. And whether it's a jug of juice for the kids or an impromptu water fight's broken out, the handy non-plumbed water and ice dispenser will give you icy cold drinks (ammunition) on tap. There's even a Holiday setting for if you jet off somewhere - it'll lower the temp in the fridge to save energy. Let's go.
