Product Overview

Running out of space for your groceries? Then why not upgrade to this Hisense fridge freezer – it's really roomy. There's space for 18 bags of fresh ingredients and 8 bags of frozen food, so grab those extra pizzas for film night. You won't have to reach for the ice scraper either, because clever tech moves air around to stop icy build-ups. Nifty. And with a non-plumbed water dispenser, you can just fill the tank and enjoy a refreshing glass at any time. Love your healthy soups and smoothies? The Moisture Fresh drawer lets you change the humidity inside to suit those leafy greens and berries. Plug in the blender and get creating.
