Gorenje BHI611ES Wall-mounted Grey 370 m³/h

Brand : Gorenje

Product code: 733140

Product name : BHI611ES

Gorenje BHI611ES. Maximum extraction power: 370 m³/h, Type of extraction: Ducted/Recirculating, Fluid dynamic efficiency class: E. Type: Wall-mounted, Product colour: Grey, Housing material: Steel. Grease filter type: Aluminium. Bulb power: 6 W, Number of bulbs: 2 bulb(s), Bulb type: LED. Annual energy consumption: 70.7 kWh, Energy efficiency class (old): D

| Performance                         |                      | Filtering                     |           |
|-------------------------------------|----------------------|-------------------------------|-----------|
| Maximum extraction power *          | 370 m³/h             | Grease filter type *          | Aluminium |
| Type of extraction *                | Ducted/Recirculating | Washable filter               | ✓         |
| Fluid dynamic efficiency class *    | E                    | Lighting                      |           |
| Lighting efficiency class *         | C                    | Bulb power                    | 6 W       |
| Grease filtering efficiency class * | D                    | Number of bulbs               | 2 bulb(s) |
| Maximum recirculating power         | 140 m³/h             | Bulb type                     | LED       |
| Number of speeds *                  | 3                    | Power                         |           |
| Noise level *                       | 67 dB                | Annual energy consumption *   | 70.7 kWh  |
| Design                              |                      | Energy efficiency class (old) | D         |
| Type *                              | Wall-mounted         | Weight & dimensions           |           |
| Product colour *                    | Grey                 | Width *                       | 534 mm    |
| Housing material                    | Steel                | Depth                         | 300 mm    |
| Built-in display *                  | ✗                    | Height                        | 208 mm    |
| Exhaust location                    | Top                  | Weight                        | 4.8 kg    |
| Exhaust connection diameter         | 12 cm                | Packaging data                |           |
| Number of motors                    | 1                    | Package width                 | 580 mm    |
|                                     |                      | Package depth                 | 324 mm    |
|                                     |                      | Package height                | 240 mm    |
|                                     |                      | Package weight                | 5.9 kg    |
