- Transparent case with shock-absorbing edge
- Integrated air chambers to absorb impacts
- Raised edges to protect camera and display
- Material treated to resist yellowing
- With antibacterial formula and recycled materials

Ultra Strong - Galaxy A57

Cellularline Ultra Strong - Galaxy A57 Ultra-protective transparent case with shock-absorbing edges and integrated air chambers, designed to ensure maximum protection in the event of accidental drops.:

Ultra Strong is the transparent case designed for those seeking superior protection. Thanks to its reinforced structure with shock-absorbing edges and integrated air chambers along the entire perimeter, it effectively absorbs and cushions impacts. The materials used are treated to resist yellowing over time and include an antibacterial formula that helps prevent bacterial growth on the surface. The raised edges protect both the camera and the screen, while part of the case is made from recycled plastic materials. Ultra Strong has passed drop tests certified according to Military Test standards, confirming its reliability in any situation.

Features		Technical details
