Magical feathered Fox

schleich BAYALA Magical feathered Fox:

The magical Feathered Fox steals the show with his delicate wings in soft pink and magic mint! His thick tail and white chest fur are dusted with dazzling glitter. This beautiful mythical creature wears an adorable flower crown on his forehead, and you can even find blossoms at the base of his wings. Enchanting!

The magical Feathered Fox roams gracefully through the forests of BAYALA®, the fur on his slender legs fluttering softly with every step. When the sun breaks through the trees above, his tail and chest fur glisten like thousands of tiny stars. The other forest dwellers can't help but stop and stare when he passes by - he's so graceful! Full of joy, the fox flaps his beautiful wings and hovers gently over a clearing. Truly magical!
