Chameleon

[schleich WILD LIFE Chameleon:](#)

Just like a chameleon in the wild, the schleich® chameleon can change color: Greenish-turquoise for casual Fridays, reddish-brown for formal attire. Special temperature-activated paint gives the schleich® chameleon toy its unique color-changing abilities, so don't be surprised to find it lounging in your sunroom.

The chameleon is perfectly prepared for life in trees with its clawed feet and strong curly tail. So it can cling to branches with its body without being blown down by the wind. Of course it can also camouflage itself by adapting the color of its scaly skin to the tree or rock it happens to be sitting on. But sometimes it changes color when it wants to attract attention. Can your chameleon grab your attention like that? schleich WILD LIFE Chameleon. Recommended age (min): 3 yr(s), Theme: Forest, Safari, Wild animals / adventure toys, Product colour: Multicolour, Material: Plastic
