Versatile cleaning for your prized possessions with easy to use 4 spray patterns and a SmartBrush.

Quick set-up and easy manoeuvrability – the cordless Fontus 18V makes fast results easy. Unlike traditional high-pressure washers, this portable cleaner is perfect for use at home or on the go due to its mains water connection, 15L inbuilt water tank and 18 V battery. Enjoy adjustable pressure modes and four spray patterns – a pencil jet for stubborn dirt, a 15° fan jet for precision on smaller surfaces, a 50° fan jet to rinse larger areas, and a shower jet for gentle cleaning. Its attachable SmartBrush is ideal for gently cleaning larger surfaces like cars or garden furniture. An accessory storage and in-use gun holder make cleaning even more convenient. The tool belongs to the POWER FOR ALL ALLIANCE. One battery can operate a large variety of tools from different brands.
