DesignJet T630 36-in Printer 2025 edition

[HP Designjet T630 36-in Printer 2025 edition:](#)

Focus on the project, not your plotter. This printer delivers incredible ease of use with HP Click Print solutions.^[2] It's responsibly designed to help you save energy^[5] and reduce plastics use^[7]. Plus, it's compact and adaptable—to fit the way you work.

Dynamic security enabled printer Certain HP printers are intended to work only with cartridges that have a new or reused HP chip or electronic circuitry. These printers use dynamic security measures to block cartridges using a non-HP chip or electronic circuitry. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. Reused HP chips and electronic circuitry enable the use of reused, remanufactured, and refilled cartridges.
